Dear Friends:

Your recent contribution to CASA of Southeast Texas of beautiful home-made quilts for our CASA Children is much appreciated. It helps bring hope to children caught up in a world of abuse and neglect and a system that is cumbersome and confusing. Every day CASA is putting volunteers in the field to defend these children and speak for their best interest in the courts. What a comfort to have someone they can count on when all around them is changing. What a joy to know their CASA is there for no other reason than that they care.

Thank you for helping to give them one of the greatest gifts of all, and one too often taken for granted – the gift of a safe, loving home!

Gratefully

blankets are for the

so grateful!*
