

Mr. Roosevelt's Necktie
Submitted by Jo Ann Enright
Happy Scrappers
November Block of the Month

Cutting Instructions:

Six 3 1/2 inch squares of 1930's reproduction fabric

One 3 7/8 inch square of 1930's repro fabric

Eight 3 1/2 inch squares of white fabric

One 3 7/8 inch square of white fabric

Lay white 3 7/8 inch square on top of same size 1930 repro fabric square right sides together. Mark a line on the diagonal corner to corner. Sew 1/4 inch on each side of line. Cut apart and press to the dark fabric. Now piece all the squares and half square triangles together into four rows as shown, with 1/4 inch seams, pressing seams in alternating directions by row. Join rows and you are done. This makes a 12 inch block.
